

ASSEMBLY BILL

No. 613

Introduced by Assembly Member Campbell

February 19, 2003

An act to add Section 17582 to the Government Code, relating to state-mandated local programs.

LEGISLATIVE COUNSEL'S DIGEST

AB 613, as introduced, Campbell. State-mandated local programs: funding.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs of implementing a new program or higher level of service mandated by the state. Existing law provides that, subject to specified circumstances and exceptions, no local agency is required, during any fiscal year and for the period immediately following that fiscal year for which the Budget Act has not been enacted for the subsequent fiscal year, to implement or give effect to any statute or executive order that has been determined by the Legislature, the Commission on State Mandates, or any court to constitute a new program or higher level of service requiring reimbursement of local agencies pursuant to the California Constitution.

This bill would provide that, if a local agency or school district has failed, for a period of at least 2 years, to receive funding to implement or give effect to a statute or executive order that has been determined by the Legislature, the commission, or any court to mandate a new program or higher level of service requiring reimbursement pursuant to the California Constitution, that agency or district is not required to implement or give effect to that statute or executive order but may

provide funding of its own to implement or give effect to that statute or executive order.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

1 SECTION 1. Section 17582 is added to the Government
2 Code, to read:
3 17582. If a local agency or school district has failed, for a
4 period of at least two years, to receive funding to implement or
5 give effect to a statute or executive order that has been determined
6 by the Legislature, the commission, or any court to mandate a new
7 program or higher level of service requiring reimbursement
8 pursuant to Section 6 of Article XIII B of the California
9 Constitution, that agency or district is not required to implement
10 or give effect to that statute or executive order but may provide
11 funding of its own to implement or give effect to that statute or
12 executive order.
